Description

The KRT670101 4 Wheel Folding Handle Warehouse Trolley from Kreator is the perfect solution for transporting heavy and bulky loads easily and safely. With a loading surface of 470 x 730 mm, this foldable trolley can support up to 150 kg, making it an indispensable tool in warehouses, workshops and for transporting materials.

Its folding steel handle allows for easy storage when not in use, saving space and making it easy to transport. The 360° swivel rubber rear wheels offer great maneuverability, making it easy to move heavy loads in tight spaces or with obstacles.

In addition, its sturdy and practical design guarantees a long service life and efficient use in industrial environments. With the KRT670101 4-Wheel Storage Cart with Folding Handle, you can optimize your loading and unloading processes, increasing productivity and reducing the physical effort of your employees.

Don't wait any longer to purchase this high-quality storage cart and enjoy its benefits in your daily life. Get yours now and simplify your material transport tasks!
