Description

The 400 gr ONRAITA Biscayan axe is the perfect tool for pruning and felling efficiently and safely. Its 37 cm long varnished beech handle provides a comfortable and firm grip, allowing precise and controlled handling.

The head of this axe is forged from F114 manganese carbon steel, which guarantees durability and resistance to continuous use and adverse conditions. In addition, it has rubber protectors on the edge for greater safety during handling.

Its design with a handle stands out, which allows it to be used occasionally as a hammer, providing versatility and functionality in a single tool. With this Biscayan axe, you can perform a wide variety of tasks in the garden, field or forest effectively and effortlessly.

Whether it is for cutting branches, felling trees or doing carpentry work, the ONRAITA Biscayan axe will become your indispensable ally. Take advantage of its quality, durability and innovative design to carry out your tasks with maximum precision and efficiency.
