Description

The Bahco 422P-20 20mm gouge is the ideal tool for precise and comfortable wood carving and sculpting work. Its two-component handle offers a firm and comfortable grip, allowing you to work for long sessions without fatigue.

The high-quality steel it is made of guarantees a precise and long-lasting cut, making it an essential tool for both professionals and amateurs. Its ergonomic design reduces fatigue in the hands and arms, allowing for more efficient and precise work.

In addition, its impact and abrasion resistant handle ensures a long service life, making it a lasting investment for anyone dedicated to wood carving. With the Bahco 422P-20 gouge, you can carry out detailed and delicate work with maximum precision and comfort, obtaining professional results in each project.

Don't miss the opportunity to acquire this high-quality gouge that will accompany you for years in your wood carving and sculpture projects.
