[View product online](#)**Description**

The 307RP/80 left-hand deadbolt with chrome-plated security button and key is the perfect solution for protecting your home. With a sleek and functional design, this deadbolt is ideal for left-hand opening doors, offering maximum security and peace of mind.

With a security chain and 18mm bar, this deadbolt ensures extra protection for your home. Its 85x83mm dimensions make it perfect for any type of door, ensuring a perfect fit and easy installation.

The 30mm thick and 50mm long round security cylinder provides extra protection against any attempted intrusion, offering strength and durability.

In addition, its interior button makes it easy to lock and open from the inside, while the exterior key allows secure access from the outside.

With this deadbolt, you can be sure that your home will be protected at all times, no matter the circumstances.

Don't miss the opportunity to purchase this high-quality, modernly designed deadbolt to keep your home safe and secure at all times.
