Description

The bag of 100 rectangular black plastic heels is the perfect complement to protect and reinforce your furniture or structures effectively and durably. Each piece measures 30x20 mm, ensuring a precise and secure fit on any surface.

These heels come equipped with end caps that provide greater stability and resistance, ensuring that your furniture stays in perfect condition for longer. Their rectangular design makes them ideal for applications on chairs, tables or other objects that require additional support and care on delicate surfaces.

Thanks to their high-quality black plastic material, these heels are resistant to wear and corrosion, making them a long-lasting and reliable option for your protection and reinforcement needs. Plus, their easy installation makes them perfect for anyone, whether you're a professional or a DIY enthusiast.

Don't miss out on the opportunity to purchase this bag of 100 rectangular black plastic dowels and make sure your furniture and structures are always protected and in optimal condition.
