[View product online](#)**Description**

The TESA 2010-60 PRHL lock is the perfect solution to ensure security in your home or office. With an elegant and robust design, this rounded-edge profile lock offers high resistance to possible intrusion attempts, providing peace of mind and protection to your spaces.

Thanks to its European profile cylinder, this lock provides a 60mm entry and a 47mm center distance, making it a versatile and functional option for all types of doors, whether interior or exterior. Its easy installation makes it ideal for both professionals and non-expert locksmiths.

In addition, the TESA 2010-60 PRHL lock stands out for its durability and resistance to wear, which guarantees optimal operation over time. Its smooth and precise closing mechanism provides a comfortable and safe user experience, without the risk of blockages or jams.

In short, if you are looking for a high-quality, secure and easy-to-install lock, the TESA 2010-60 PRHL is the perfect choice to protect your spaces with style and efficiency.
