Description

The box of 24 4.5x112mm zinc plated hinges is the perfect addition to your doors and furniture. Made from high quality zinc, these hinges offer exceptional resistance to corrosion, ensuring their durability over time.

With dimensions of 25x112mm and a thickness of 4.5mm, these hinges ensure a robust fixation and a smooth, long-lasting operation. Their carefully crafted design allows for smooth opening and closing, without jamming or problems.

This box of hinges is the practical and economical solution you've been looking for for your woodworking projects. Whether you're refurbishing your furniture or installing new doors, these hinges offer you the quality and performance you need.

Don't settle for low-quality hinges that wear out quickly. With the box of 24 zinc-plated hinges, you can be sure that your doors and furniture will be well protected and will function smoothly for a long time.
