Description

The box of 24 27x150mm zinc-plated branch hinges is a high-quality and durable product, perfect for carpentry and construction projects. Made from durable materials and a zinc-plated finish that protects them from corrosion, these hinges guarantee reliable and long-lasting support for doors, furniture and various structures.

Their carefully crafted design ensures a secure and functional mount, allowing for smooth and trouble-free opening and closing. The 27x150mm measurement makes them ideal for a variety of applications, providing the strength needed to support the weight of heavy doors or sturdy furniture.

With this box of 24 zinc-plated branch hinges, you can be sure that your projects will feature an element of quality and durability. Whether you're working on renovating a house or building a custom piece of furniture, these hinges will give you the confidence of strong and reliable support.
