The 150x50 cm green extendable trellis from the Nortene brand is the perfect complement for your garden, terrace or balcony. Made of resistant PVC, this trellis has a design of 22 x 6 mm profile slats that give it great durability and weather resistance.

Its green colour makes it easy to integrate into any environment, adding a touch of freshness and naturalness to your outdoor spaces. In addition, its extendable size allows you to adapt it to your needs, whether to decorate, delimit spaces or create a more intimate and welcoming atmosphere.

The included fixing kit makes it easy to install easily and safely, without the need for special tools. This way, you can enjoy all the benefits of this trellis quickly and without complications.

Take advantage of the combination of functionality and aesthetics offered by this green extendable trellis from Nortene, and give a unique touch to your outdoor spaces. Don't wait any longer to enjoy a garden or terrace with personality and style!
