Description

The MCM 3100PR-55 security deadbolt is the perfect solution to protect your home or business from intruders. Its painted design and round cylinder make it discreet and elegant, perfect for any type of wooden door.

This deadbolt features a double-turn lever that provides greater resistance to possible theft attempts, while its seamless steel case and strike plate guarantee unmatched security. In addition, its exterior key and interior button facilitate its daily use, offering comfort and peace of mind to users.

With the MCM 3100PR-55 deadbolt, you can be sure that your home will be protected at all times. Its robust construction and its design designed to be overlaid on wooden doors make it the ideal choice for those looking for maximum security without sacrificing style. Don't miss the opportunity to protect what matters most to you with this high-quality security lock.

Features:

- Painted design and round cylinder
- Double-turn lever for greater resistance
- Steel case and strike plate without cuts
- Exterior key and interior button for greater comfort
- Ideal for wooden doors
