### Description

The TOPEX 35D936 hollow socket wrench is the perfect tool for performing precision work with ease and efficiency. With an inner diameter of 18mm and an outer diameter of 19mm, this socket wrench is ideal for tightening nuts and bolts of different sizes. Its length of 160mm gives you the reach needed to reach hard-to-reach places.

Made from high-strength steel, this socket wrench is designed to last and withstand constant use. Its hollow design not only reduces the weight of the tool, but also makes it easier to grip and manipulate, allowing you to work comfortably and safely.

Whether you are a professional looking for quality tools or a DIY enthusiast looking for a reliable tool, the TOPEX 35D936 hollow socket wrench is the perfect choice. Its durability, precision and comfort make it a must-have in any toolbox.
