Description

The 3-socket power strip with 1.4m cable 801600 Tayg is the perfect accessory to keep your electronic devices safely connected and organised. With 3 2P+T sockets and an integrated switch, this power strip allows you to connect multiple devices at the same time without worrying about power surges.

The 1.4 metre long H05VVF 3G1 cable gives you the flexibility to place the power strip in the place that best suits your needs. With a maximum power of 3500W, this power strip is ideal for home or office use, providing convenience and efficiency in managing electrical connections.

Its compact and functional design makes it a practical option for any space, whether at home, in the office or anywhere else where you need to safely connect multiple devices. With the 3-socket power strip with 1.4m cable switch 801600 Tayg, you can keep your electronic devices connected safely and tidily, avoiding cable tangles and electrical overloads.

Specifications
