Description

The 4-socket power strip with 1.4m cable switch 806605 Tayg is the perfect solution for connecting multiple devices safely and efficiently. With 4 2P+T sockets, this power strip allows you to connect up to 4 electronic devices at the same time, making it easier to organize cables and avoid tangles.

The 1.4-meter-long H05VVF 3G1 cable provides the flexibility to place the power strip in the most convenient place, without space restrictions. With a maximum power of 3500W, this power strip is ideal for home or professional use, guaranteeing optimal performance in any environment.

Its compact and functional design makes it a practical and durable option, made with quality materials that ensure long-term durability and reliability. The built-in switch allows you to easily turn on and off all connected devices, providing convenience and safety in your daily use.

Whether at home, in the office or any other space, the 4-socket power strip with 1.4m cable switch 806605 Tayg is the perfect choice to keep your electronic devices connected safely and tidily, without compromising on performance or quality.

Specifications

Rated current (A)	10
Colour	White
EAN	8412796806605
Manufacturer	TAYG

Length	140cm
Material	PVC
Measures	140cm
Weight (kg)	0,367
Maximum power (W)	3680
Protection	IP20
Cable cross-section (mm ²)	3G1
Nominal voltage (V)	230V
Type of cable	H05VV-F
