Description

The Kreator 600mm Spirit Level is the perfect tool to ensure accurate measurements for levelling work. Made from strong, lightweight aluminium, this aircraft wing level offers exceptional durability and easy handling.

Its milled base allows for horizontal and vertical measurements with optimum precision, ensuring accurate results on every project. In addition, it features a bent profile frame that provides a comfortable and secure grip, making it easy to use in any situation.

The adjustable horizontal vial ensures a clear and accurate reading, while the hanging eyelets at both ends allow it to be easily hung on the wall when not in use. This makes it a practical and functional tool for any professional or hobbyist looking for a quality level for their work.

With the Kreator 600mm Spirit Level, you can take measurements with complete confidence and precision, ensuring quality and accuracy in every levelling project you undertake.
