Description

The inofix 3774-2 white wooden hanger with 4 knobs is the perfect accessory to keep your spaces organized and stylish. Made of solid pine wood, this hanger offers exceptional strength, supporting up to 5 kg per knob. Its PEFC certification guarantees that it comes from sustainable forests, taking care of the environment.

Its elegant white design allows it to adapt to any type of decoration, whether at home or in the office. Measuring 50x488x71 mm, this multi-hanger is compact and functional, taking up little space and offering a large storage capacity.

Installing the hanger is simple, you only need a few screws (not included) to fix it to the wall. Once installed, you can hang coats, bags, keys or any other object you want to have at hand. Its practical and versatile design makes it an essential accessory to keep order in your day to day life.
