Description

The Bahco BCL23 electric pruning shears are the perfect tool for making precise cuts in vineyards and gardens quickly and efficiently. Its chrome-plated SK5 Japanese steel blade guarantees exceptional durability, while its brushless motor provides constant power and optimal performance.

With a progressive trigger and a non-slip handle, this pruning shear offers total control over the cut, allowing the blade opening to be adjusted to suit different branch sizes. With a cutting capacity of up to 35 mm, it is ideal for intensive pruning work.

The 43.2V lithium battery provides a 6-8 hour autonomy, ensuring that you can work for long periods without interruptions. In addition, it comes with accessories for maintenance and transport, making it easy to use and store.

With a robust and ergonomic design, the Bahco BCL23 pruning shears give you the comfort and efficiency you need to carry out your pruning tasks with ease. Don't miss the opportunity to purchase this high-quality tool that will make your gardening tasks much easier and more effective.
