Description

The 24lt 2hp ca-pro25 cevik accessory-free compressor is the perfect tool for any task that requires a constant supply of compressed air. With a 24 litre capacity and a powerful 2 HP motor, this monoblock compressor is ideal for a variety of applications in workshops, DIY and professional projects.

Thanks to its 195 litres per minute airflow, this compressor offers reliable and continuous performance, ensuring that you always have the power needed to complete your tasks efficiently. In addition, its oil-lubricated design ensures greater durability and efficient operation over time.

Whether you're inflating tyres, using pneumatic tools or painting surfaces, the ca-pro25 cevik compressor will provide you with the power and performance you need. Its compact size and light weight make it easy to transport and store, while its robust construction ensures a long service life.

Don't settle for a compressor that doesn't meet your expectations. Get the 24lt 2hp ca-pro25 cevik accessory-free compressor and enjoy superior performance in all your compressed air applications.
