Description

The Justor brand 591301 double-action hinge is the perfect solution for swing doors, thanks to its sturdy and functional design. Manufactured in a silver finish, this hinge offers dimensions of 180x37x37x37 mm, ideal for doors of different sizes.

One of the main advantages of this hinge is its ability to open in both directions, with automatic closing for greater comfort and safety. This makes it an ideal option for both indoor and outdoor use, guaranteeing durability and aesthetics in a single product.

In addition, the Justor 591301 double-action hinge stands out for its easy installation and maintenance, making it perfect for any type of user, whether a professional or an individual. With this hinge, you can enjoy smooth and silent operation on your swing doors, without worrying about their performance over time.

In short, if you are looking for a high-quality, durable and functional hinge, the Justor 591301 is the perfect choice for you. You will not regret investing in a product that combines design, durability and ease of use in a single package.
