Description

The HEPYC 2mm drill bit set of 10 is the perfect choice for those looking for quality and precision in their drilling projects. Made from cobalt-infused HSS, these drill bits are designed to drill through hard materials such as stainless steel with ease and efficiency.

Thanks to their high wear resistance, these drill bits offer exceptional durability, making them an indispensable tool for industrial and professional applications. Their high-precision design ensures accurate and clean results with every hole, allowing for efficient, trouble-free work.

With HEPYC 2mm drill bits, users can drill accurately on demanding projects, achieving superior quality results. Whether for DIY jobs around the home or for more complex industrial applications, these drill bits are the ideal choice for those looking for exceptional performance and long-term durability.

Specifications

Colour	Bronze
Diameter	2mm
EAN	8426578003014
Manufacturer	HEPYC
Material	Acero HSS, Cobalto
Measures	Ø2mm
