Description

The Hepyc 10-piece 4mm HSS cobalt drill bit set is the perfect choice for those looking for quality and performance in their drilling jobs. Made from high-speed steel with cobalt, these drill bits are designed to drill through hard materials such as stainless steel with ease and precision.

Thanks to their high wear resistance, these drill bits offer greater durability, making them ideal for professional and industrial use. Their design ensures precise and efficient drilling, resulting in faster, higher quality work.

With Hepyc drill bits, you can be sure that you will have a high-quality product that will help you perform your drilling tasks effectively. Whether you work in the metalworking industry, construction or any other sector that requires drilling in hard materials, these drill bits will give you the performance you need.

Don't settle for low-quality drill bits that wear out quickly. With the Hepyc 10-piece 4mm HSS cobalt drill bit set, you can enjoy the perfect combination of strength, durability and precision in every application.

Specifications

Colour	Bronce
Diameter	4mm
EAN	8426578003250
