Description

The Hepyc 10-Pack 6mm HSS Cobalt Drill Bits is a set of high-quality drill bits designed to perform precise drilling in hard materials such as stainless steel and tough alloys. Made from HSS with cobalt, these drill bits offer exceptional durability and superior performance compared to conventional drill bits.

Thanks to their cobalt composition, these drill bits are ideal for professional and demanding jobs that require clean and efficient cuts. Their robust and resistant design guarantees a long service life, making them an essential tool for industrial and advanced DIY applications.

Compatible with standard drills, these drill bits are easy to use and offer consistent results in a wide variety of materials. Whether you are drilling stainless steel, aluminum or any other hard material, the Hepyc 10-Pack 6mm HSS Cobalt Drill Bits will provide you with the precision and power you need to complete your projects successfully.

Specifications

Colour	Bronce
Diameter	6mm
EAN	8426578003595
Manufacturer	HEPYC
Material	Acero HSS, Cobalto
Measures	Ø6mm
