Description

The Hepyc 10-Piece 8mm HSS Cobalt Drill Bit Set is a set of high-quality drill bits designed to drill through hard materials with precision and durability. Made from HSS high-speed steel with cobalt, these drill bits are ideal for professional and demanding work in industrial and mechanical applications.

Thanks to their robust construction and quality sharpening, these drill bits offer optimum performance when drilling stainless steel and tough alloys. Their design ensures a long life and accurate drilling every time.

These drill bits are compatible with standard and heavy-duty drills, making them versatile and easy to use on a variety of projects. Whether you're drilling into metal, plastic or wood, the Hepyc 10-Pack 8mm HSS Cobalt Drill Bits will provide you with the power and precision you need to achieve professional results.

If you're looking for a set of high-quality drill bits that allow you to drill through hard materials with ease and precision, the Hepyc 10-Pack 8mm HSS Cobalt Drill Bits is the perfect choice for you. Get them today and take your projects to the next level!

Specifications

Colour	Bronce
Diameter	8mm
EAN	8426578003830

Manufacturer	HEPYC
Material	Acero HSS, Cobalto
Measures	Ø8mm
