Description

The 16mm HSS cobalt drill bit from Hepyc is the ideal tool for drilling hard materials such as stainless steel and alloys. Its recessed design ensures greater strength and durability, offering precision and optimal performance in demanding jobs.

Thanks to its high-quality composition, this drill bit ensures efficient and precise cutting in industrial and professional applications. Its wear resistance makes it a long-lasting tool, capable of withstanding intensive use without losing its effectiveness.

With the 16mm HSS cobalt drill bit from Hepyc, you can make clean and precise holes in hard materials, without worrying about premature wear. Its advanced design and manufacture with top-quality materials make it an essential tool for any professional looking for impeccable results in their drilling jobs.

Specifications

Colour	Bronce
Diameter	16mm
EAN	8426578024125
Manufacturer	HEPYC
Material	Acero HSS, Cobalto
Measures	Ø16mm
