Description

The 90mm Square Brass Padlock (770R90 U5D BATON) is the perfect choice for those looking for maximum strength and security for their belongings. Its solid brass monobloc body ensures exceptional durability, while the 12mm hardened steel bar provides additional protection against potential theft attempts.

This padlock features a ball-locking security locking mechanism, which ensures a firm and reliable closure every time. In addition, its practical 350mm x 20mm interior light allows for greater visibility in dark environments, making it easy to use in any situation.

Whether it's to protect your bike, your locker at the gym or any other valuable belongings, the 90mm Square Brass Padlock is the ideal choice. Its robust design and advanced features make it an indispensable tool to keep your belongings safe at all times.

Don't risk the safety of your belongings, trust the quality and strength of the 90mm square brass padlock (770R90 U5D BATON) to protect what you value most.
