Description

The POWERPLUS POWC40200 Mouse Sander is the ideal tool for performing precise sanding jobs with ease and efficiency. With a 130W motor and 140W of real power, this sander offers optimal performance for any sanding task you need to perform.

Its 140x140x80mm sanding surface allows you to tackle small and hard-to-reach areas with ease, ensuring a smooth and even finish on your projects. In addition, its 91dB sound level ensures a comfortable and quiet work environment.

With a 2-meter-long cable, this sander gives you greater reach and freedom of movement to work in different spaces without restrictions. Its ergonomic design is intended to offer you comfortable and safe handling, reducing fatigue and improving your productivity.

Whether you are sanding wood, metal or other materials, the POWERPLUS POWC40200 Mouse Sander gives you the power and precision you need to achieve professional results in your DIY or carpentry projects. Get it and enjoy a perfect finish on every job!
