Description

The Powerplus 115mm 500w POWC30110 Deburring Tool is a must-have tool for any DIY or construction job. With a power output of 500W, this angle grinder is perfect for grinding, cutting and adjusting materials with ease and precision.

Its compact design and 115mm disc allow you to access difficult spaces and carry out detailed work comfortably. In addition, it comes equipped with an additional handle that provides greater control and stability during use.

The Powerplus Deburring Tool includes a spanner for quick and easy disc changes, as well as a spindle lock for easy maintenance. In addition, it has a protective cover and release button that ensure user safety at all times.

This tool is perfect for tile work, as well as small wall tasks. However, it is important to note that the disc is not included, so it must be purchased separately.

In short, the 115mm 500w deburring machine POWC30110 Powerplus is a versatile, safe and easy-to-use tool that will make any DIY or construction task easier. Don't miss out on yours!
