Description

The 100-meter roll of white parallel cable with a 2x1 mm section is the perfect complement to your electronics, robotics or model-making projects. Its flexible and high-quality design guarantees clean and long-lasting connections, while its white color allows for easy integration into different environments.

This cable is easy to install and handle, making it the ideal choice for those looking for convenience and efficiency in their projects. In addition, its abrasion resistance ensures a long lifespan, allowing you to enjoy its benefits for a long time.

Don't settle for low-quality cables that break easily or make your connections difficult. With the 100-meter roll of white parallel cable, you can enjoy a reliable and long-lasting solution that will make your tasks easier and allow you to carry out your projects successfully.

Specifications

Colour	White
EAN	8435240701318
Length	100m
Material	PVC, Copper
Measures	100m
Cable cross-section (mm²)	2x1mm²
Nominal voltage (V)	500V, 300
Type of cable	Paralelo
