Description

The Powerplus 12V POWX0041Li drill driver is the ideal tool for carrying out DIY jobs efficiently and accurately. With a maximum torque of 25NM, this drill offers the power needed to drill and screw into a wide variety of materials.

One of the outstanding features of this drill is its versatility, thanks to its 2 speeds and 18 torque positions that allow you to adjust the power according to the needs of each task. In addition, its compact and ergonomic design makes it easy to handle and reduces fatigue during long work days.

The quick-charge battery included in this drill driver recharges in just 1 hour, making it an ideal tool for both domestic and professional jobs. Whether assembling furniture, installing shelving or carrying out home repairs, this drill guarantees optimal performance for every task.

In short, the Powerplus 12V POWX0041Li drill driver is a versatile, efficient and easy-to-use tool that will become an indispensable ally in your toolbox. Don't wait any longer and get yours!

Specifications

EAN	5400338076503
