Description

The POWXB10060 POWERPLUS hammer drill is the ideal tool for those looking for long-lasting, professional performance. Equipped with a 20V brushless motor, this drill offers exceptional power and a longer lifespan compared to conventional drills.

With 22+1+1 torque settings, this drill allows you to adjust the power according to the needs of each task, guaranteeing precise and efficient work. Its 10mm chuck makes it easy to quickly change bits, while its maximum torque of 30 Nm ensures optimal performance at all times.

In addition, this hammer drill has a hammer function that makes it ideal for drilling jobs in hard materials such as concrete or brick. Its 2000mAh battery charges in just 1.5 hours, ensuring greater productivity without interruptions.

In short, the POWXB10060 POWERPLUS hammer drill is the perfect tool for professionals and hobbyists looking for exceptional performance, durability and versatility in a single product.

Specifications

EAN	5400338092879
Manufacturer	POWERPLUS
