Description

The Powerplus POWX0401-0400 260W Professional Orbital Sander is the ideal tool for demanding woodworking and DIY jobs. With a power of 260W and a rotation speed of 12000 rpm, this sander offers optimal performance on all types of surfaces.

Its 90x187mm sanding base ensures precision and efficiency on large surfaces, allowing for a smooth and uniform finish on every project. In addition, its robust and reliable design ensures a long life and trouble-free use on a daily basis.

This Powerplus orbital sander has advanced features that make it stand out from the rest. Its powerful motor allows for fast and efficient sanding, while its ergonomics and light weight make it easy to handle and reduce fatigue during long work sessions.

In short, the 260w orbital sander powx0401-0400 Powerplus is the perfect choice for those looking for a powerful, precise and durable tool for their woodworking and DIY projects. You won't regret investing in this quality tool.
