Description

The Powerplus POWP1010 115mm Professional Deburring Tool with 720W Motor is the ideal tool for demanding jobs requiring precision and efficiency. With a 4 metre cable giving greater freedom of movement, this deburring tool is perfect for cutting, grinding and polishing a variety of materials with ease.

Its ergonomic design ensures comfort during prolonged use, making it a reliable tool for professionals and hobbyists alike. The power of its 720 W motor ensures optimal performance at all times, allowing you to carry out work quickly and accurately.

In addition, the POWP1010 deburring machine has advanced features that make it stand out in the market, such as its overload protection system that prolongs the life of the tool and its non-slip handle that provides a secure and comfortable grip.

In short, the 115mm professional 720w deburring machine POWP1010 from Powerplus is the perfect choice for those looking for a powerful, versatile and durable tool to carry out a wide range of jobs with maximum precision and efficiency.
