Description

The CAYS B3P security lock is the perfect solution to reinforce the security of your home or business. With an 85 mm painted box and a round exterior cylinder, this lock offers exceptional resistance against potential intruders. Its 15 mm steel latch guarantees additional protection, providing peace of mind and confidence to users.

This lock has an innovative design that combines a button and a key, allowing for practical and safe use. Ease of use is combined with maximum security, offering a comprehensive solution to protect your spaces.

In addition to its functionality, this lock stands out for its durability and painted finish that adapts to different styles of decoration. Its discreet and elegant design makes it a versatile option that integrates perfectly into any type of door.

If you are looking for a security lock that combines strength, practicality and style, the CAYS B3P model is the ideal choice. Protect what matters most to you with a quality and reliable product.
