Description

The 16lt 63012 Plastic Painter's Bucket with Grid from Plasv is the perfect accessory for your indoor and outdoor painting projects. With a capacity of 16 liters, this bucket is made of resistant plastic that guarantees durability and resistance to paint chemicals.

One of the most outstanding features of this bucket is its included grid, which makes it easy to remove excess paint from the rollers, allowing you to obtain a uniform and professional finish in your work. In addition, its practical and ergonomic design makes it ideal for both professionals and amateurs looking for comfort and efficiency in their painting projects.

With the 16lt 63012 Plastic Painter's Bucket with Grid from Plasv, you will be able to work in a more organized and clean way, avoiding unnecessary spills and stains. Its compact size makes it easy to transport and store, while its durability guarantees a long service life.

Don't miss the opportunity to purchase this high-quality painter's bucket that will help you achieve professional results in your painting jobs. Get yours and enjoy the comfort and efficiency it offers!
