Description

Protect your spaces from the sun and rain with our lightweight 65gr/m² awning. Ideal for gardens, patios, terraces, and outdoor events, this 4x7 meter awning in a vibrant blue color offers you a practical and economical solution for creating shade and shelter.

Made from high-quality polyethylene (PE), this awning is water and UV resistant, ensuring a long lifespan. Its lightness makes it easy to set up and transport, allowing you to take it with you wherever you need it.

The awning comes in a practical bag for easy storage and transport. Its light weight (65gr/m²) does not compromise its strength, offering excellent value for money. Enjoy the outdoors without worrying about the sun or rain with this versatile and durable awning.

Key Features:
