Description

Optimize your workspace with this stylish and functional desktop power strip. With three standard power outlets, one USB-A port, and one USB Type-C port, you'll have the connectivity you need to power and charge your devices simultaneously. Its modern black and gray design, with an aluminum body and PC details, blends seamlessly into any environment.

Enjoy fast and efficient charging thanks to its USB ports with optimized charging speeds. The USB-A port delivers up to 18W, while the USB Type-C reaches 20W. Plus, built-in child protection ensures safety in your home or office.

The 1.4-meter cable, with a 3x1.5mm section, provides the flexibility to place the dock wherever you need it. It features a switch for total control of power consumption.

Main features: 3 power outlets, 1 USB-A, 1 USB Type-C, 1.4m cable, switch, child protection, 3680W maximum power, 220-240V voltage, and a sleek black and gray design. Ideal for indoor use.
