Description

Protect your outdoor electrical connections with this heavy-duty power strip. Designed for industrial and domestic use, this 2-socket power strip allows you to connect your tools and electrical appliances safely and reliably.

Its 1.5-meter-long, 3x1.5mm H07RN-F cable offers excellent flexibility and weather resistance. Made of durable polypropylene (PP), this power strip supports up to 3680W (16A) and a voltage of 220-240V at 50Hz.

It features protective caps to prevent water and dust from entering (IP44), as well as child protection for added safety. Its green and black design makes it easily visible. It comes in cardboard packaging with a hanger for easy display. Switch not included.

Main features:

- * 2 power outlets
- * 1.5 meter cable (3x1.5mm)
- * IP44 protection and child protection
- * Protective caps
- * Ideal for outdoor use
