Description

Experience convenience and security with the Halale Black Wireless Doorbell. This elegant doorbell combines functionality and modern design to complement any home.

Enjoy 38 different melodies and adjust the volume to your liking with 8 available levels. Installation is simple thanks to the plug-in mounting of the receiver and the transmitter with 3M adhesive tape.

The Halale doorbell works with AC power for the receiver and a 23A/12V battery (included) for the transmitter. With a voltage range of 220-240V and a maximum frequency of 433MHz, this doorbell offers reliable performance and a range of up to 200 meters (under optimal conditions).

In addition, it has IP44 protection, making it resistant to water splashes. Made with high-quality materials such as PC, it guarantees durability and resistance. Welcome your guests with style and peace of mind!

Specifications
