Description

Say goodbye to pesky insects with our 6W LED Insect Killer Lamp! This effective and safe solution allows you to enjoy your outdoor spaces without interruptions.

With a modern gray design and made of durable ABS, this lamp is ideal for outdoor use. Its 6500K LED light emits 50 lumens, attracting insects to its high-voltage grid (820V maximum), eliminating them quickly and silently.

Powered by 3 AAA batteries, this lamp is portable and easy to use. It covers an area of up to 30m², protecting you from mosquitoes and other flying insects. Its 365-395nm wavelength range is highly attractive to insects.

In addition, it has IPX4 protection, making it resistant to water splashes. Works in extreme temperatures, from -45°C to 55°C.

Enjoy peaceful, bite-free nights with this LED insect killer! Comes in a ready-to-use box. Weight: 0.24 kg. Frequency: 50/60 Hz.
