Description

Illuminate your spaces with the efficiency and warmth of our 1W spherical LED bulb. With its standard E27 socket, this bulb is easy to install in most lamps and light fixtures.

Enjoy a warm white 3000K light, perfect for creating cozy and relaxing environments. Its spherical G45 design, with a diameter of 45mm, makes it ideal for decorative lamps and light strings.

Made with high-quality materials, this LED bulb offers a long lifespan of up to 25,000 hours and supports up to 15,000 on/off cycles. In addition, its low energy consumption (1W) will help you reduce your electricity bill without sacrificing lighting quality.

With a 300° beam angle, it provides uniform and wide lighting. Its color rendering index (CRI) of 80 guarantees vivid, natural colors. It's not dimmable (Smarty: No) and operates within a voltage range of 220-240V. A smart and economical option for lighting your home!

Specifications
