Description

Light up your outdoor adventures with our USB rechargeable LED camping lantern. With a 5W power output and 360 lumens of brightness, this lantern will provide you with bright, reliable light in any situation.

Made with durable materials like ABS and PS, this lantern is sturdy and lightweight. Its 18650 lithium battery offers a runtime of 3 to 5 hours and fully recharges in just 3 hours via its USB C port.

Enjoy its multiple lighting modes: warm, white, and a combination of both. Choose the mode that best suits your needs. Plus, it features a battery indicator so you always know how much power you have left.

Its practical design includes a handle for easy carrying and an easy-to-access on/off button. Ideal for camping, hiking, emergencies, or any outdoor activity. Range of up to 50 meters. Don't be left in the dark!

Features:
* Power: 5W
* Lumens: 360 Lm
* Autonomy: 3-5 hours
* Charging time: 3 hours
* Modes: Warm/White/Warm + White
* Charging type: USB C
