Description

Illuminate your space with the elegant and functional Ostuni E27 Flexo in white. This flexo combines a minimalist design with high-quality materials, offering versatile lighting that can be adapted to your needs.

Made with a sturdy iron structure and wooden details that give it a warm and natural touch, the Ostuni Flexo integrates easily into any style of decoration. Its matte finish gives it a modern and sophisticated look.

Equipped with an E27 socket, it is compatible with LED and low-consumption bulbs up to 40W, allowing you to choose the light intensity you prefer. Its adjustable arm allows you to direct the light precisely, ideal for reading, working or creating an atmosphere.

Includes a switch and cable for easy installation and use. Voltage: 220-240V, 50Hz.

Easy to assemble and presented in a protective box, the Ostuni E27 White Flexo is the perfect solution to illuminate your desk, nightstand or any corner of your home with style and efficiency.
