Description

Illuminate your workspace or reading corner with the elegant and functional Budoni E27 Flexo in black. This modern design flexo combines the robustness of iron with silver plastic details, offering a sophisticated style that adapts to any decor.

Equipped with an E27 socket, it is compatible with LED and low-consumption bulbs up to 40W, allowing you to choose the light intensity that best suits your needs. Its adjustable arm allows you to direct the light precisely, optimizing the lighting for each task.
In addition, it has a built-in switch for easy and convenient on and off.

The Budoni Flexo is powered directly by the mains (220-240V, 50Hz) and comes with an included cable. Its matte finish gives it a touch of discreet elegance. Assembly is simple and quick, thanks to its intuitive design. It is delivered in a protective box to ensure it arrives in perfect condition.
