Description

Illuminate your work or reading space with the elegant and functional Formia E27 fitting flexo in black. This flexo combines a modern design with great practicality, offering you the perfect lighting wherever you need it.

Made with high-quality materials, such as sturdy iron and silver plastic details, this flexo guarantees durability and a sophisticated touch. Its matte finish gives it a discreet and elegant look that adapts to any style of decor.

Equipped with an E27 socket, it is compatible with LED and low-energy bulbs up to 40W, allowing you to choose the light intensity that best suits your needs. Its adjustable arm and clamp-on fastening system give you great flexibility to direct the light precisely.

In addition, it has an integrated switch for easy on and off. Easy to assemble and ready to use, this flexo includes a cable and is compatible with voltages from 220V to 240V. Enjoy optimal lighting and impeccable design with the Formia Flexo!
