Description

Illuminate your spaces safely and efficiently with the Maude LED emergency downlight. This 3W cool white (6000K) downlight provides reliable emergency lighting with a luminous flux of 120 lumens.

Designed for indoor use, its self-test function ensures optimal operation in the event of a power failure. Its built-in battery offers a 3-hour runtime, providing peace of mind in emergency situations. Made from durable PC, this round downlight features a 120° beam angle and a CRI of 80 for accurate color reproduction.

Easy to install, it is recessed and adjustable to different cut-out diameters (Ø65-Ø100mm) with a recessed depth of only 20mm. Its 50,000-hour lifespan and IK4 resistance ensure a long lifespan. With IP20 protection, this downlight is ideal for hallways, stairwells, and other areas requiring emergency lighting.

Specifications

Frequency	50, 60
