Description

Enjoy a cool, well-lit environment with the "Oristan" mini ceiling fan, a compact and efficient solution for small spaces (less than 13 m²). Its elegant white design integrates easily into any decor.

This fan features a dimmable LED light, allowing you to adjust the light intensity according to your needs. The included remote control makes it easy to control the fan's 4 speeds and turn the light on/off. Plus, its timer function (2h/4h) lets you program its operation for your convenience.

The energy-efficient DC motor and 5 white ABS blades ensure a quiet (maximum 58 dB) and efficient (up to 220 m³/h) airflow. The CCT LED light offers different color temperatures to suit your preferences. With a 120° beam angle and a CRI of 80, the light provides clear, natural lighting. It also features a winter mode to distribute the accumulated heat from the ceiling. Voltage: 220-240V, 50/60Hz. Maximum power: 15W (fan) and 10W (light). Luminous flux: 1200/1400/1400 Lm (with diffuser). RPM: 180/200/220/240.

Specifications

Timer	Yes
Frequency	50, 60
High	13cm
Width	46cm
Opening angle	120
Airflow (m ³ /h)	220, 140, 210, 180

Energy classification	F
Colour	White
Cri (Ra)	80
Diameter	46cm
EAN	8433373088191
Turned on (ON/OFF)	7500
Remote control	Yes
Material	ABS
Measures	Ø46x13cm
Number of blades	5
Battery included	No
Protection	IP20
Adjustable	Yes
Revolutions per minute (RPM)	180, 200, 220, 240
Nominal voltage (V)	240
Current type	DC
Type of lamp	LED
Colour temperature	3000K, 4000K, 6500K
Speeds	4
Estimated life (h)	20000
Light power (W)	10
Engine	DC
