[View product online](#)**Description**

Stay cool and comfortable wherever you go with the "Luvo" mini handheld fan! This handy, lightweight fan is the perfect solution for beating the heat at the office, at home, or while traveling. Its compact white design makes it stylish and discreet.

Equipped with a powerful 3W motor and powered by USB (5V), the "Luvo" offers 3 adjustable speeds to suit your needs. Its 18650 lithium battery (1200mAh 3.7V) gives you up to 2 hours of battery life on a single charge. It fully recharges in just 3 hours via its USB C port.

Made of durable ABS, this fan features 5 blades that generate a refreshing breeze with a maximum noise level of 58 decibels. It includes a 1-meter USB cable for easy charging. Plus, its versatile design allows it to be used as a table or wall-mounted fan. It comes with a convenient handle for comfortable holding. Don't miss out on yours!
