Description

Enjoy the authentic flavor of espresso in the comfort of your home with the Lakato 850W espresso machine. Its elegant black design fits in any kitchen, while its powerful performance guarantees creamy, flavorful coffee in every cup.

With a 1.8-liter capacity, you can prepare coffee for the whole family or for your guests. Its aluminum kettle heating system ensures an optimal temperature for coffee extraction, while its anti-drip system prevents spills and makes cleaning easier.

The Lakato coffee machine is equipped with overheat protection and automatic shut-off for added safety. It also features removable parts and an easy-to-clean filter, making it easy to maintain. Its 0.75-meter cable offers flexibility in location, and its weight of 4.13 kg makes it easy to transport. Made with high-quality materials such as ABS and aluminum, this coffee machine will provide you with years of enjoyment.

Voltage: 220-240V, 50/60Hz.
