Description

Keep your kitchen organized and your cutlery spotless with our stylish stainless steel cutlery drainer. This essential accessory combines functionality and durability, offering a hygienic and practical solution for drying your utensils after every wash.

Made from high-quality stainless steel, this cutlery drainer resists corrosion and rust, ensuring a long lifespan. Its compact design, with a diameter of 100 mm, makes it ideal for any type of kitchen, even the smallest. Plus, its built-in rack allows for efficient water drainage, preventing moisture buildup and the growth of bacteria.

Cleaning is extremely simple: simply rinse with soap and water or, for added convenience, put it in the dishwasher. Yes, it's dishwasher safe! It comes in a handy bag to protect it during transport. With a practically zero weight, it is easy to handle and transport.
