Ø140mm

Description

This 10cm diameter fine mesh stainless steel strainer is an essential utensil in any kitchen. Its sturdy and durable construction ensures years of reliable use.

Ideal for straining sauces, broths, tea, or even sprinkling icing sugar over your favorite desserts. Its fine mesh ensures only liquids pass through, retaining any solid particles.

Made from high-quality stainless steel, this strainer is corrosion-resistant and easy to clean. Simply rinse it under the tap or put it in the dishwasher for a thorough cleaning. Save time and effort in the kitchen!

It comes packaged in a handy bag for protection during transport. Its compact design makes it easy to store in any drawer or cupboard.

Main Features:

Diameter: 100mm

Main Material: Stainless Steel

Packaging Type: Bag
