Description

Optimize your kitchen space with our practical and versatile folding colander!

This 19.5cm diameter colander is the perfect solution for washing and draining fruits, vegetables, and other foods quickly and efficiently. Made with high-quality materials, it combines the flexibility of TPE (thermoplastic elastomer) with the strength of polypropylene (PP), guaranteeing durability and safety in contact with food.

Its folding handles make it easy to store, taking up minimal space in your cupboard or drawer. When you need it, simply unfold the handles and enjoy a stable and functional colander.

It is also dishwasher safe, which simplifies cleaning and maintenance. It comes in a practical bag for transport and initial storage. A must-have in any modern kitchen!
